

Thanks In Advance...

Without you I don't know how
we'd manage our kids'
dental health.
Thank you

Thank you for cleaning
my teeth. They feel
really clean.
Thank you

Thank You
Thank you for working on my teeth. Since you
have filled my cavity my teeth feel alot better.
When I first came to the dentist I was scared
of the dentist, but now it does not bother me.
Thank You

MISSION

To provide oral care
and education to
underinsured and
uninsured children
living in Green County
Wisconsin.

With appreciation to all the support provided by our community.

Together we are making a difference!

You hold the key to a child's future.

~~~~~  
*As a volunteer, you are providing an important service to children in our community who are in need of care.*
